WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**LETTER
ACCOMPANYING PETITION FOR REVIVAL**

Sir:

On April 27, 2006, applicant filed a RCE and a check for \$2290.00. That fee comprised the \$790.00 for the RCE and the \$1500.00 for the needed Petition for Revival. However, a review of the file today indicates that only the required fee for the Petition for Revival, and not the actual Petition, was filed on April 27, 2006. We submit the missing Petition by this filing and ask that the subject application be revived and examined in due course.

Respectfully submitted,
